Meet Dave

David Armendariz is a Founding Partner at Relate Search, a leading national recruiting firm. With over 20 years of experience in the industry, he has held progressive leadership roles in the Supply Chain, Operations, and Technology functions with esteemed organizations like Korn Ferry and Lucas Group. David's journey began as a Staff Recruiter and since then, he has been driven by his passion to make a difference in the lives of the clients and candidates he serves.

David's career is defined by meaningful, rewarding, and impactful work. He has achieved multiple accolades including the Lucas Group Presidential Award. However, his proudest professional accomplishment is launching Relate Search with his partner, Sara Luther, leveraging their experience and knowledge to create a purpose-driven firm centered around the positive impact made in the businesses and communities around them.

Motivated by his genuine enthusiasm for the field, David's unwavering dedication to finding exceptional Supply Chain and Operations professionals remains resolute. He understands the crucial role a well-run supply chain plays in organizations and recognizes the significant impact that talented professionals can have on a team's success. David firmly believes that finding the right Supply Chain and Operations talent is essential for building efficient operations and creating effective professional environments.

David's dedication to helping others extends beyond his professional life. He actively volunteers at the Houston Food Bank and the Montrose Center, passionately supporting LGBTQIA+ and human rights causes.

David graduated with a Bachelor's Degree in Marketing from the University of Houston Honors College, and when he's not in the office, he enjoys traveling and cheering at Houston Astros games, cherishing the moments spent with his spouse Nathan of fifteen years and their two dogs, Petey and Stanley.
