

Meet Arielle

Arielle Lauren is a dedicated Partner and Executive Recruiter at Relate Search, specializing in Technology recruitment. With over a decade of experience in connecting top talent with leading organizations, Arielle is known for her meticulous attention to detail, strategic approach, and unwavering commitment to building long-term relationships. Her career journey reflects her passion for problem-solving and delivering exceptional results for clients and candidates alike.

Before joining Relate Search, Arielle held senior roles at renowned firms such as Soni Resources, Lucas Group/Korn Ferry, and International Market Recruiters. Her recruitment journey began in 2014 as a Senior Financial Services Recruiter, where she honed her ability to understand client pain points and match them with candidates' aspirations. Arielle's journalism background enables her to dig deeply into the needs of both clients and candidates, ensuring tailored solutions that drive success. At Lucas Group/Korn Ferry, she quickly rose through the ranks, becoming a trusted advisor and leader in the Technology and Accounting & Finance sectors.

At Relate Search, Arielle focuses on placing IT leadership roles, including CIOs, CTOs, and CISOs, as well as positions in IT operations, software engineering, cybersecurity, and emerging fields such as AI and machine learning. Her proudest professional achievements include mentoring new recruiters and climbing to the top of the leaderboard at her previous firm within just five months. Arielle's consultative approach, coupled with her determination and resilience, makes her a go-to partner for organizations seeking innovative talent solutions.

Born in Englewood, New Jersey, Arielle earned her Bachelor's degree in Mass Communications from the University of Delaware, graduating in just three years. Outside of work, she enjoys country music concerts and traveling, with Nashville being her favorite destination. A die-hard Mets fan and an avid adventurer, she has skied at 61 North American resorts and fostered dogs through K9 Angels in Houston.
